**BOLD TYPE and  = Endorsement by the FORUM.**

Note: The Forum follows carefully established criteria in its selection process. Voting records, position on issues, leadership in the Pro-Family Movement, and credibility are all considered. As much as possible, we support candidates that are opposed to Partial-Birth abortions, oppose domestic partner benefits (which violate our Constitution), oppose expanded gambling, and are for limited government with low taxes. Selections are based on the recommendation of a panel of respected community leaders.
