(a) Freedoms Heritage Forum Political Action Committee (www.freedomsheritageforum.com):

The Forum follows carefully established criteria in its selection process. Voting records, position on issues, leadership in the Pro-Family Movement, and credibility are all considered. As much as possible, we support candidates that are opposed to Partial-Birth abortions, oppose domestic partner benefits (which violate our Constitution), oppose expanded gambling, and are for limited government with low taxes.

(b) Kentucky Right To Life Political Action Committee notes (continued):

- Endorsed. "We will not endorse any candidate with a rape/incest exception. We may 'recommend' him/her if KRLA PAC believes that candidate would advance the cause of life more so than his/her opponent."
 (8) Tim Coleman - Pro-life responses except question #2 (Do you oppose abortion in cases of rape and incest?).
 (9) Ken Upchurch - Pro-life responses except #2 (Do you oppose abortion in cases of rape and incest?).

(c) Committee for Fairness and Individual Rights Political Action Committee

This is the Political Action Committee for the powerful Homosexual Movement. They work to identify and support candidates committed to the Homosexual Agenda, including Special Rights for homosexuals, lesbians, and cross-dressers.
